

MEMO

Link to code repository: <https://github.com/fahmad2/Local-Farm-To-You>

Lines of code: 2,543

Lines of code in unit tests: 278

Unit test coverage: 82% (Using Ecl Emma from Eclipse Marketplace)

number of hours need to get the code working: 30 hours

number of hours spent preparing assignment: 35 hours

Challenges:

- Making the REST_controller

- Making the build script

- debugging while unit testing

- Making all the classes in the reports package
